During your extension, your local guide will provide included sightseeing services and will be available via a local office at other times. Extensions are subject to availability and applicable charges at time of request. Guests may leave any large luggage at their Lima hotel during the extension. We pride ourselves on bringing travelers the very best experiences a destination offers. When traveling in the Amazon you will encounter full days of sightseeing, frequently in warm temperatures. The lodge does not have air conditioning. Wifi is free in the main area when electricity is running. To experience the Amazon fully, we recommend that all travelers be in reasonably good health and prepare properly. Unfortunately, this tour is not appropriate for individuals who use either walkers or wheelchairs. In addition, guests who require assistance walking or who travel with oxygen tanks will not fully enjoy this trip and we strongly recommend a different tour. The Hacienda Concepcion has fully screened cabanas, mosquito net protection and private bathrooms in each room. Snacks and beverages are available 24 hours. A minimum of 2 passengers is required for this extension to operate. This tour is very active, requiring a great deal of physical fitness to fully enjoy all the experiences. This itinerary has more strenuous activities which may include such things as: extensive walking tours, transfers over uneven and dusty terrain, high altitudes, early morning departures, late night activities, or extreme temperatures. All conditions do not apply to all days so please read the itinerary carefully and speak to one of our travel counselors to determine if this tour is right for you.
