Synopsis from broadway.com of *Funny Girl*

“This bittersweet comedy is the story of the indomitable Fanny Brice, a girl from the Lower East Side who dreamed of a life on the stage. Everyone told her she'd never be a star, but then something funny happened—she became one of the most beloved performers in history, shining brighter than the brightest lights of Broadway.

Featuring some of the most iconic songs in theatre history including “Don’t Rain On My Parade,” “I’m the Greatest Star,” and “People,” Michael Mayer’s bold new production marks the first time *Funny Girl* will return to Broadway since its debut 58 years ago. The original production of *Funny Girl* premiered on Broadway in 1964 starring Barbra Streisand as Fanny Brice and was nominated for eight Tony Awards including Best Musical.

Synopsis from broadway.com of *Moulin Rouge! The Musical*

“Enter a world of splendor and romance, of eye-popping excess, of glitz, grandeur and glory! A world where Bohemians and aristocrats rub elbows and revel in electrifying enchantment. Pop the champagne and prepare for the spectacular spectacular... Welcome to *Moulin Rouge! The Musical*.

Baz Luhrmann’s revolutionary film comes to life onstage, remixed in a new musical mash-up extravaganza. A theatrical celebration of truth, beauty, freedom and—above all—LOVE, *Moulin Rouge!* is more than a musical; it is a state of mind. How wonderful life is...at the Moulin Rouge.”
