### **Synopsis from [broadway.com](http://broadway.com) of *Hamilton***

*Hamilton* is the story of the unlikely Founding Father determined to make his mark on the new nation as hungry and ambitious as he is. From bastard orphan to Washington's right-hand man, rebel to war hero, a loving husband caught in the country's first sex scandal, to the Treasury head who made an untrusting world believe in the American economy. George Washington, Eliza Hamilton, Thomas Jefferson and Hamilton's lifelong friend/foil Aaron Burr all make their mark in this astonishing new musical exploration of a political mastermind.

### **Synopsis from [broadway.com](http://broadway.com) of *Aladdin***

In the middle-eastern town of Agrabah, Princess Jasmine is feeling hemmed in by her father's desire to find her a royal groom. Meanwhile, the Sultan's right-hand man, Jafar, is plotting to take over the throne. When Jasmine sneaks out of the palace incognito, she forms an instant connection with Aladdin, a charming street urchin and reformed thief.

After being discovered together, Aladdin is sentenced to death, but Jafar saves him by ordering him to fetch a lamp from the Cave of Wonders. Where there's a lamp, there's a Genie, and once Aladdin unwittingly lets this one out, anything can happen! Will Aladdin's new identity as "Prince Ali" help him win Jasmine's heart and thwart Jafar's evil plans? Will the Genie's wish for freedom ever come true?
