Synopsis from broadway.com of *& Juliet*

& Juliet flips the script on the greatest love story ever told, imagining what would happen next if Juliet hadn't ended it all over Romeo, and got a second chance at life and love – on her terms. Juliet's new story bursts to life through a playlist of pop anthems as iconic as her name, all written by Max Martin and his collaborators, including "Since U Been Gone," "Roar," "Baby One More Time," "Larger Than Life," "That's The Way It Is," "Can't Stop the Feeling," and many more.

Synopsis from broadway.com of *Water for Elephants*

"Many wonders await audiences at the Imperial Theatre." - *The New York Times*

The critically acclaimed bestselling novel comes to "thrilling, dazzling" life (*Time Out New York*) in a unique, spectacle-filled new musical with "one of the more remarkable ensembles ever seen on Broadway" (*New York Daily News*)! Hailed as a Critic's Pick, *The New York Times* calls it "stunning, emotional and gorgeously imaginative."

After losing what matters most, a young man jumps a moving train unsure of where the road will take him and finds a new home with the remarkable crew of a traveling circus, and a life—and love—beyond his wildest dreams. Seen through the eyes of his older self, his adventure becomes a poignant reminder that if you choose the ride, life can begin again at any age.

Tony Award-nominated director Jessica Stone's "huge, heart-filling" production (*The New York Times*) features a book by three-time Tony nominee Rick Elice adapted from Sara Gruen's novel, and a soaring score by the acclaimed PigPen Theatre Co.

So, step right up to the "spellbinding entertainment" (*Variety*) at *Water for Elephants*, "the best new musical on Broadway" (*Theatermania*).
