Broadway Show Descriptions:

The Outsiders

From Broadway.com “The winner of the Tony Award® for Best Musical is *The Outsiders*. This classic coming-of-age story takes you to Tulsa, Oklahoma in 1967, where Ponyboy Curtis, his best friend Johnny Cade, and their family of Greaser “outsiders” dream about who they want to become in a world that will never accept them. *The Outsiders* features a “tuneful and soul-bearing” (New York Stage Review) original score, “high-octane choreography” (New York Magazine), and a “sensational young cast” (The Wall Street Journal) that brings the show to life.”

Ragtime

From Broadway.com “*Ragtime* is a sweeping musical adaption of E.L. Doctorow’s novel that follows three fictional families in pursuit of the American Dream at the dawn of the 20th Century: Black pianist Coalhouse Walker, Jr. and his beloved Sarah, Jewish immigrant Tateh and his little girl, and a wealthy white family led by matriarch Mother. All grasping for the same dream, if only they can hold onto it.

Featuring a lush score by Stephen Flaherty and Lynn Ahrens, a stirring book by Terrence McNally, and original orchestrations by William David Brohn, all of whom won Tony Awards for their work, *Ragtime* weaves fictional narratives with real historical figures and events, creating a rich tapestry that blurs the line between personal struggle and national identity, making history feel both intimate and epic.”
